

February 25 of 2009

Dear Business Partner.

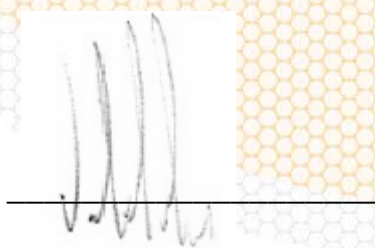

**Ref. Changes on technical specifications of some of our products**

We would like to inform you about the changes in some of the technical specs on the following products:

- **oQ-695/WDR/HR/IR/VP**  
This product won't be available with Infrared Illuminators. The product part number will be replaced with **oQ-695/WDR/HR/VP**, keeping all the benefits of our openQ line, plus the high resolution Pixim WDR image sensor.
- **oQ-890/WDR/IR/VR:**  
This product will be available with ICR Varifocal lens with 9mm to 22mm of focal length, instead of the 6~15mm previously offered.
- **QT-890/WDR/IR/VR**  
This product will be available with ICR Varifocal lens with 9mm to 22mm of focal length, instead of the 6~15mm previously offered.

If you need more information about these changes, feel free to send an e-mail to us [support@quaddrix.com](mailto:support@quaddrix.com), or call to our technical support line 305 407 9765.

Thanks for your cooperation and support

VICTOR M. MANOTAS A.

DIRECTOR OF ENGINEERING
